Lyrics, vocals, instruments and composition
all by Ali Abbas / alias Alan Lee
This version was completed on the 30th of August 2011
and was inspired by the great event called DCMM.

DCMM yeah, DCMM yeah DCMM yeah, DCMM yeah

The way to glory is a narrow road
We're on a mission turning hay to gold
Its an obsession for the brave and bold
Good, better, best, is the final goal

We're riding switchblades, we sweat and bleed
Proud of the wounds and of the scars we wield
We've got red bull running in our veins
Aint no gain if their aint no pain

DCMM is gonna rock this town (4 times)
DCMM yeah, DCMM yeah DCMM yeah, DCMM yeah

Three days of modding like a man gone wild
Three days creating our own Frankenstein
No time for nothing else, forget to sleep
We have a deadline that we've got to meet

Its now or never baby, the time is now
The Jury's clock is ticking, crying out loud
To win the D-C-M-M gold
Men on a mission with a common goal

DCMM is gonna rock this town (4 times)

Solo
One, two.... one two three four..
We came, we saw, we mod, you awe (4 times)
Solo
One, two.... one two three four..

DCMM is gonna rock this town (4 times)

DCMM yeah, DCMM yeah DCMM yeah, DCMM yeah
DCMM yeah, DCMM yeah DCMM yeah, DCMM yeah
YYYYEEEEAAAAAAHHHHHHH!!!!!!
